The screenshot shows the mobile app interface for 'Wuyoubao Adult Accident Insurance'. At the top, there's a status bar with signal strength, Wi-Fi, and battery icons. Below that, a header section features a family photo and the text '蚂蚁旗下保险代理平台' (Ant Group Insurance Agency Platform) and '无忧保成人意外' (Wuyoubao Adult Accident Insurance). A sub-header indicates '蚂蚁保 > 众安保险' (Ant Group Insurance > Zhong'an Insurance).

The main content area is titled '精选产品' (Selected Products) and highlights '最高200万保障' (Maximum 2 million coverage). It asks '为什么要买无忧保综合意外险?' (Why buy Wuyoubao comprehensive accident insurance?) and lists benefits: '含意外医疗、猝死、送最高50万抗疫保障金' (Includes accidental medical, sudden death, and a 500,000 anti-epidemic benefit) and '足额保障，缓解意外带来家庭资金失衡' (Adequate coverage, alleviating family financial imbalance).

Three product options are shown with their starting prices: '10万版' (100,000 version) at 3.25元/月, '50万版' (500,000 version) at 16.33元/月, and '100万版' (1,000,000 version) at 37.33元/月. The 100,000 version is selected.
